## MOSES ALERT

Dear MOSES member,

We have just been told by DER that the healthcare reimbursement overpayments that were scheduled to be deducted from paychecks beginning with the April 15<sup>th</sup> pay advice will not take place. The general consensus of all involved was that the Commonwealth needed to send the reconciliation paperwork to all affected employees before they started to take monies from checks.

I will keep the membership informed as the information becomes available to me.

Have a good weekend !

Joe
